All Time Low Announces US Summer Tour with SWMRS and Waterparks

(Los Angeles, CA) April 17, 2017: Chart topping pop/punk quartet set out to bring The Young Renegades Tour across the United States. Along for the ride are SWMRS, Waterparks, The Wrecks, and Night Riots on select dates. Kicking off the tour in Houston, Texas on June 30th, All Time Low will spend the following month covering all major cities in the U.S before wrapping up with two nights at Rams Head Live in their hometown of Baltimore, Maryland.

All Time Low are a seasoned touring band, always bringing a high energy live show to their fans. After a recent label switch and some minor rebranding, they are excited to show fans what they've been working on in the studio since their last release "Future Hearts" in 2015. All shows on The Young Renegades Tour will be All Ages and General Admission with the option to purchase a VIP experience in addition to the show.

All Time Low consists of four members including **Alex Gaskarth**, lead vocals/guitar; **Jack Barakat**, guitar; **Zack Merrick**, vocals/bass; and **Rian Dawson**, drums.
